Through our New Student Referral Program, your family can receive a \$500 tuition credit per new student referred into SHCS. Refer a family that enrolls two students and receive a \$1000 credit, three students and receive a \$1500 credit.

Social media has dramatically changed the way children communicate with each other. It is important to know how to talk to children about social media safety before they make a damaging mistake with lasting consequences. The Catholic Schools Center of Excellence is excited to bring Josh, Ochs, a nationally-renowned social media safety speaker to the Archdiocese on March 7,8,9th.

Catholic United Raffle January 13-February 26

The Catholic United Financial Raffle is off to a great start. Thank you so much for all that you've done to get this going in a positive direction. We've got several weeks left to sell tickets, too, so we're hopeful that we'll meet our goal of \$15,000!!!

The top selling students win a Kindle Fire HD and the top classroom wins a pizza party. Thanks so much for your participation in this important fund raiser!

Congratulations to our Lego Robotics team "Extreme Robots" this weekend. Their robot design and programming sessions earned them an "Innovation Award" and their overall performance has earned them a trip to the State Tournament Saturday, Feb. 25th in St. Paul.

The students performed an entertaining skit, and they expertly presented their solution to the problem of dead zones in the Gulf of Mexico. They demonstrated Sacred Heart values during their core values challenge. During the event, they were given a mystery task to show how well they treat each other and how the team works together under pressure. There are 640 teams in the state, only 10% of those are still competing. Way to go RAMS!
