New Math Program for 2017-2018

Math Expressions, K-6

Math Expressions combines elements of standards-based instruction with the best traditional approaches. Through drawings, conceptual language, inquiry, and real-world examples, it helps students make sense of mathematics.

*We are also reviewing our Middle Math Curriculum.

NEW STUDENT REFERRAL INCENTIVE PROGRAM

New Student Referral Program

Many of our families initially hear about Sacred Heart Catholic School through a personal referral from an existing school family. Now we want to reward you for promoting our school to your family and friends! Through our New Student Referral Program, your family can receive a \$500 tuition credit per new student referred into SHCS. Refer a family that enrolls two students and receive a \$1000 credit. See the attached flier for more information.
