CONTINUOUS ENROLLMENT

The term of your student's Continuous Enrollment begins with the initially signed enrollment agreement, and thereafter continues automatically for students in good standing through completion of grade 8 or until the official withdrawal procedures and contract termination is completed as stated herein. By signing and returning this contract to SHCS, the parties entering this contract acknowledge their contractual obligation and agree to pay the annual tuition as designated by the School plus any related fees in full.

Notwithstanding the automatic re-enrollment of students in this Continuous Enrollment Contract, SHCS retains the right, and its sole determination, to terminate the Continuous Enrollment Contract and the student's enrollment or re-enrollment at any time. Families will be responsible for tuition according to the schedule set forth in the Cancellation and Withdrawal Process set forth below.

Cancellation and Withdrawal Process and Related Tuition payments

Enrollment for the next enrollment year will occur automatically and families will be responsible for tuition according to the Withdrawal schedule below, unless written notification of cancellation is provided to the principal prior to May 4th—~~30th~~

Terms of release from tuition payments and contractual obligations are as follows:

Cancellation:

- If notification of cancellation is received by SHCS prior to May 4th ~~30th~~, the student will not be enrolled at SHCS for the next enrollment year, and no tuition for the next enrollment year will be charged.

Withdrawal:

- Notification of withdrawal after May 30th but prior to July 15 30th: tuition for the enrollment year will be charged at ~~25% of contract amount.~~ July tuition
- Notification of withdrawal on or after July 30 but prior to ~~December 1~~ September 15: tuition for the enrollment year will be charged ~~50% of contract amount.~~ July, August, September tuition
- Notification of withdrawal on or after December 1: tuition for the current enrollment year will be charged at ~~100% of the contract amount.~~ 50% of the balance owed.

The above schedule is effective, whether the withdrawal is for expulsion, dismissal, transfer, or otherwise. Under any withdrawal circumstances, the technology fee is non-refundable and will not be prorated.
